

Automated Apparel Classification – Chapter 61 & 62

Feeling the Pressure?

What kind of shape is your compliance department in? Do you have rock solid processes in place for classification? Do you often find that you have to make trade-offs to keep up? Could you easily defend your decisions in an audit? Let's face it:

- HTS Classification for apparel is convoluted and time consuming
- Record keeping is a manual process

You need to make your classification failsafe. Trādiance can help. It takes the guesswork out of HTS Classification by giving you the answers. With Trādiance, you don't sacrifice speed for compliance.

Fast
Accurate
Audit-Ready

Benefits

Relevant Attributes	Pinpoints only questions you need to answer
Intelligent Redirects	Intelligent 'attribute weight' points you in the right direction... even if you are not sure where to go.
Visual Selection	Uses images to increase speed and accuracy.
Electronic Audit Trail	Who, when, and how easily accessed 24/7
Dynamic Database	Accessible information, with custom part # integration.
Chapter 61&62	Off the shelf ready.
Web Based (SaaS)	Run tradiance from your web browser, nothing to install.

Accurate, Consistent and Defensible

The software architecture was guided by a simple premise—direct users to a precise answer while shielding them from the complex terminology and hierarchy of the underlying Harmonized Tariff Schedule.

With Trādiance, you can be up and running quickly. You don't have the hassle or costs of lengthy implementations or disruptions to your other systems.

Setting the Standard for Best Practices

The outcome is more accurate and defensible classifications in a fraction of the time and backed by a complete audit trail, historical record and an industry- recognized Customs best practice.

Trādiance —always on, always audit-ready.

The screenshot shows the Trādiance web application interface. At the top, there are navigation tabs for Home, Classification, Special Claims, and Admin, along with a Logout and Help link. The main content area displays a classification record for Part ID: Y-111, with a Duty Rate of 14.9% and HTS: 6204.43.3010. The record includes fields for Company Description, Alternate Description, Invoice Description, Product Family, Classified by, and Verified by. A visual selection image of an orange dress is shown on the right. Below the main record, there are tabs for Attributes and Special Claims, with a list of attributes and their corresponding values.

Attributes	Special Claims
2.1 - Gender	Womens
3.460 - Fabric Composition	Polyester (60.0 %)
3.630 - Fabric Composition	Wool (40.0 %)
15.1 - Style: Leg Construction	Legs in single tube
18.2 - Marketed/Used As	Dress
20.5 - Style: Top of Garment (excluding straps)	Shoulders
25.1 - Style: Worn	Without another outer garment
